### **National Socialist Movement and Allies to Rally in Pikeville**

The National Socialist Movement, The Traditionalist Worker Party, and other member organizations of the Nationalist Front are coming to Pike county on April 28th and 29th.

The Nationalist Front has heard the cries of the thousands of families in Pike County and the surrounding region who have been hurt by globalist trade policies, an increasingly destructive drug problem, and a lack of response by the Republican and Democratic Establishment to the needs of working families, the youth, and small business owners.

As a grassroots political movement, the primary focus and concern of the Nationalist Front is aiding and assisting members of the community, not only by giving them a political voice, but by providing direct aid and assistance to those in need.

White working families have been abandoned and ignored by the political class and the mainstream media for decades. It is the duty of Nationalists to raise awareness about issues facing our communities and work together to lend a helping hand to families in need of relief.

The Nationalist Front will be holding a conference the evening of April 28th and the morning of April 29th at Jenny Wiley State Park. This conference will include live folk music, speeches, home cooked meals, and training seminars on political engagement.

The conference is open to the public to attend and all interested members of the community are encouraged to join us. Dress code for men is a black work shirt, black pants, and black boots; with an organizational patch on the left arm. Women are requested to dress modestly and in black as well. This is not mandatory for the Public and those not affiliated with an Organization.

On the afternoon of the 29th, the Nationalist Front will be holding a Rally, demonstration, and charity event at the courthouse in Pikeville. The Event will be held from 2-5pm at the County Courthouse (146 Main Street, Pikeville, Kentucky).

This event will focus on solutions to the economic and social problems facing Eastern Kentucky, and propose real grassroots solutions and methods of engagement for the local community to get involved in local and State politics.

The Nationalist Front will be holding collections of non-perishable foods to donate to a local food pantry and financial contributions for a local charity.

April 28th and 29th will usher in a new period of a White Nationalist presence in Pike County and advocacy for White working families.
