

The TRUTH about ILLEGAL ALIENS flooding over America's borders daily!

- . 2.2 **BILLION** dollars a year is spent on food assistance programs such as food stamps, WIC, and free school lunches for **ILLEGAL ALIENS**
- . 12 **BILLION** dollars is spent on primary and secondary school education for children here **ILLEGALLY**, and they still cannot speak English
- . 90 **BILLION** dollars a year is spent on **ILLEGAL ALIENS** for welfare and other social services by the American taxpayer
- . **200 BILLION** dollars a year in suppressed American wages are caused by **ILLEGAL ALIENS**

. Nearly **ONE MILLION** sex crimes are committed by **ILLEGAL ALIENS** in the United States each year, not to mention their filthy diseases, and the dirty culture they force into our faces!

What is their contribution to the USA other than offering cheap labor? **ABSOLUTELY NOTHING**, except the high cost to have them here. Is it worth it to have them turn the United States into their filthy playground, as they have done with their own Latin American countries? Would you live in Mexico? Why allow the USA to turn into a third-world country?

The presence of 20+ million **ILLEGAL ALIENS** in America has been caused by fifty years of our **UN-PATRIOTIC POLITICIANS** ignoring the problem.

The massive problems we face here in America today are caused by these **BORDER JUMPERS!** The white race is dying. Can you grasp the idea of this? Can you not see the daily threat every White person faces just to survive in this world? What will it take for you and so many others that turn the other cheek to realize that we do not need **ILLEGAL ALIENS** in America? It is bad business for the USA and our citizens to allow this to continue!

NOW 50. 3% OF ALL PRISONERS ARE LATINO.

NEED WE SAY MORE? WE DO NOT NEED ILLEGAL ALIENS IN OUR COUNTRY!

Join or support the only organization standing up for the rights of White Americans!

NOTE: THESE ARE THE BEST ESTIMATED COSTS WE COULD FIND.

Some estimates place the net cost of each illegal alien in this country at \$50,000 – \$100,000. (FYI: 12,000,000 X \$50,000 = \$600,000,000,000) When all the indirect costs are factored in, it is probably even higher. In any case, it is a cost that YOU are paying for.
