

DRUG DEALER'S BEST FRIENDS

Both Parties have failed to secure our southern border and tons of illegal drugs pour across our undefended border each year. Drug money is used to influence elections and corrupt police departments. The social costs cannot even be calculated. You owe no allegiance to political parties or a government that does not promote the best interests of the White majority. The National Socialist Movement is America's pro White lobby and we pledge to safeguard our borders and secure a future for White America. Join or support the National Socialist Movement. Your children's future depends on it.
