

WHY AMERICANS DIE IN IRAQ

Almost every day more and more Americans are being killed and maimed in Iraq. WHY?

The simple answer is Jews. Jews own George W. Bush and the rest of the political prostitutes in Washington. Through their powerful lobby group, American Israel Public Affairs Committee (www.aipac.org), they direct the foreign policy of the U.S., putting Israel's interests above America's interests.

The jewish Paul Wolfowitz is pictured above “advising” George W. Bush. Time Magazine, January 27, 2003, page 28 reports how Wolfowitz came up with the idea for the U.S. To attack Iraq even though Iraq had nothing to do with the attacks on 9/11. Of course, Israel benefits from Iraq's defeat – America doesn't!
