

Email to Elon University President Connie Ledoux Book

6/1/20

President Ledoux Book,

It has come to The National Socialist Movement Corporation's attention that you employ two Antifa sympathizers as college professors at your institution. Both Megan Squire and Anthony Crider are well documented at not only engaging with, but assisting the well known Anarchist/Terrorist organization. This email is to notify you that The National Socialist Movement Corporation, as well as all its nationwide members, allies and supporters intend to protest at your college campus over their employment there.

Elon University has the absolute right to employ whoever they see fit and we have every right to protest their presence there. That being said, this is a formal request for a permit application to legally rally on your campus. If I do not receive a response or application, I will defer to the legal process and utilize the civilian courts. I'm sure you understand The United States Supreme Court has made their rulings crystal clear on these matters, in particular on college campuses and the 1st Amendment.

You can either email me the permit application to Commanderburt@nsm88.org or U.S. Mail to: PO Box 423223 Kissimmee, Florida 34742-3223

I look forward to your reply in this matter.

Regards,

Commander Burt Colucci

Democracy is talking itself to death. The people do not know what they want; they do not know what is the best for them. There is too much foolishness, too much lost motion. I have stopped the talk and the nonsense. I am a man of action. Democracy is beautiful in theory; in practice it is a fallacy. You in America will see that some day.-Benito Mussolini
